### **Opportunity Knocks Tour: The Philosophy Behind the Lights!**

*When opportunity knocks, it's our obligation to embrace our good will. Then, we must pay it forward to create a ripple of kindness that has the power to change the lives of others in a remarkable way. It's our hope that every can will do what they can, with what they have, where they are. A miracle is a miracle even when it's ordinary.*

Movin' right along in search of good times and good news,  
With good friends you can't lose,  
This could become a habit!  
Opportunity knocks once let's reach out and grab it (yeah!),  
Together we'll nab it, We'll hitchhike, bus or yellow cab it! (Cab it?)

Movin' right along. Footloose and fancy-free.  
Getting there is half the fun; come share it with me.  
Moving right along (doog-a-doon doog-a-doon).  
We'll learn to share the load. We don't need a map to keep this show on the road.  
(Hey, that song is sounding better Fozzie.)

Movin' right along, We've found a life on the highway.  
And your way is my way, So trust my navigation.

California here we come, the pie-in-the-sky-land. Palm trees, and warm sand.  
Though sadly we just left Rhode Island. (We did what?!) (Just forget it.)

Movin' right along (doog-a-doon doog-a-doon).  
Hey LA, where've you gone?  
Send someone to fetch us, were in Saskatchewan!

Movin' right along (doog-a-doon doog-a-doon).  
You take it, you know best.  
Hey, I've never seen the sun come up in the West?

Movin' right along. We're truly birds of a feather,  
We're in this together and we know where we're going.  
Movie stars with flashy cars and life with the top down.  
We're storming the big town,  
(Yeah, Storm is right should it be snowing?) (Uh, no I don't think so...)

Movin' right along, Do I see signs of men? Yeah,  
"welcome" on the same post that says "come back again."  
Moving right along, nice town! Footloose and fancy-free,  
You're ready for the big time... Is it ready for me?

Movin' right along, Movin' right along, Movin' right along, Movin' right along.

And I can help you if you hand me your shoe!

**Football Players**

That would make us feel so much better!

**Genie:**

Alright, now, let me ask you.... are you nervous people?

**Football Players**

Why, yes how did you know!

**Genie**

Well, because of your cold feet! Excuse me I couldn't resist—just a little Famous Footwear Fortune Teller humor!

**Football Players**

Very little!

**Genie**

Hush! I need total absolute concentration! I see a vision!  
Yes, I can see clearly now! I see a Super Bowl in your  
future!

**Football**

What? A Super Bowl? Excellent! Bring on the future!

**Chorus/ Door**

Knock! Knock! Opportunity is knocking! Answer the door  
and step into the future!

**Football Players:**

Why it's a Super Bowl! Our future is so bright! We've gotta  
wear shades!

**Genie:**

Boy, they grow up so fast... I'm going to miss them!

**Genie:**

What's on the chaos outside my door,  
I `m wondering what they're all crying for?

Why so glum chum?  
Why so down clown?  
Why so sad lad?  
Why so gloomy roomy?

**Bakers**

We're Bakers on the journey for fortune and fame!  
And...well, we're scared of the future?

**Genie:**

You say the future troubles you?  
Perhaps, you'd feel at ease if you knew  
And I can help you if you hand me your shoe!

**Bakers**

That would make us feel so much better!

**Genie:**

Alright, now, let me ask you.... are you religious people?
