

## VOCABULARY WORD LIST FOR APRIL 8, 2013

### What are adjectives?

An adjective is a word that describes, identifies, modifies, or quantifies something (a noun or a pronoun). In the phrase, "the black cat" the word black is an adjective because it describes the cat.

In English, an adjective usually comes before the noun it pertains to (for example, a red apple or a cute cat.).

Adjectives can be classified into many categories. In English, adjectives are generally used in the order: **quantity-->opinion-->size-->age-->shape-->color-->origin-->material-->purpose.**
