## "Whatever"

I'm free to be whatever I  
Whatever I choose  
And I'll sing the blues if I want

I'm free to say whatever I  
Whatever I like  
If it's wrong or right it's alright

It.. Always seems to me  
You only see what people want you to see  
How long's it gonna be  
Before we get on the bus  
And cause no fuss  
Get a grip on yourself  
It don't cost much

(2x) Free to be whatever you  
Whatever you say  
If it comes my way it's alright

You're free to be wherever you  
Wherever you please  
You can shoot the breeze if you want

Whatever you do  
Whatever you say  
Yeah I know it's alright

## **Best Friends Forever**

We dont always like the same things take ice cream

But you are my Best friend forever we wont ever let that end no never  
You are here for me and I am here for you  
Thats what best friends do  
We dont always see eye to eye dont ask me why But we dont mind it  
And we dont always get along but our friendships strong  
We can always find it  
And you are my best friend forever we wont ever let that end no never  
You are here for me and I am here for you  
*Thats what best friends do*

We dont always fit in with the crowd but we still  
stand proud and we stand together  
And we dont care what other people say we go our own  
true way that works a whole lot better  
And you are my best friend forever we wont ever let that end no never  
You are here for me and I am here for you thats what best friends do

## Sea of Love

**Narrator**

**Captain**

**Mate 1**

**Narrator/Dock**

It was a dark and stormy night  
and things on the ship were not quite right!  
Despite the captain's good will,  
It seemed the crew were all quite ill!

**Shipmate:**

Captain, I think we have a sick boat,  
we need help if it we want it to continue to float!

**Captain:**

No need to worry I know exactly what to do if our boat is not well,

**Shipmate:**

What should we do?

**Captain:**

Take it the Dock of course! (**Chorus:** Budump Bump) Hoist the sails for the wind  
is fair! Let's head to the nearest dock!

**Shipmate and Captain:**

Wait before we set sail. I see some sailors in distress?  
Tell me, brothers and sisters, why are you so depressed?

**Kinship:**

We've begun to fight  
and not treat each other right!  
So our *Kinship* sank like a rock,  
when when we tied it to the dock!

**(Rep)** We've had to abandon our ship,  
and now we're in a titanic hardship!
