**Bigger isn't better**  
Taller isn't braver  
Stronger isn't always wise

Smaller isn't necessarily the lesser  
Guts can come in any size

Lady luck can favor  
Just a little shaver  
Over one who's 6-foot-3

Brains in any tussle  
Mop the floor with muscle  
Bet your life I'm glad I'm me

(Chorus:)

Bigger isn't keener  
Larger isn't bolder  
Higher might be low inside  
When you need to lean upon a friendly shoulder  
Narrow's just as good as wide  
See the mighty lion sittin there and crying bitten by a tiny flea  
Mammoth was colossal what's he now? A fossil!  
Bet your life I'm glad I'm me

What strong and hope they lag along  
Get brains and heart  
That handsome hunk might be a Lilliputian medley,  
Proven consequently...  
Though he shows his shoulders twice as big as boulders  
If his brain's a tiny pea  
When your in a pickle  
He ain't worth a nickel  
Bet your life I'm...Bet your life I'm glad I'm me

**Bully:** Leave me alone, you drill sergeants! (Parents pass out) I know not again! What's happening here! I didn't mean it! You guys I'm sorry for my hurtful words!

I better call 911!

**Emergency People:** We got here as fast as could! What's the problem!

**Bully:** Well, look around Einsteins, it doesn't take a rocket science to see they all need help! Now get to it! (Emergency people pass out)

Wait, I didn't mean it! I am sorry! I take it all back! Everyone, I am so sorry! I should have told them how much they mean to me instead of being mean! Now, look what I did! *I am such as idiot!* (Bully passes out)

**Narrator:**

So be careful what you and how you say it, because words really do hurt! These poor characters? Well, all they need is a little love!

**Cast:** Be responsible on what you say and do!

## Pretty Voice!

### **Chorus:**

So the next time you have a choice,  
use kind words, use your pretty voice

A scene begins  
With our next melody  
Sung by a bashful bird  
Humming a violet sky  
There are no words  
But there is understanding  
It's been so long  
Since I've heard that pretty voice

Raise up our lights  
And enter hero girl  
She makes me calm  
Yeah she makes me calm  
When she hears a song  
And she starts singing  
It's been so long  
Since I've heard that pretty voice

Strike up the band  
Here comes the storyline  
Of the usual struggle  
Between fear and love  
This is the lifelong song  
We're all singing  
It's been so long  
Since I've heard that pretty voice

Now it begins  
I miss your hollering  
But you're so sure  
Such a bashful bird  
Here's a song  
But no one's singing  
It's been so long  
Since I've heard your pretty voice
