Fond du Lac Goodrich Little Theater

## Words of Wisdom

**"Be the change you seek" Ghandi**

**"When I was young, I observed that nine out of ten things I did were failures. So I did ten times more work."**

**~George Bernard Shaw**

**"Two mice fell into a pail of buttermilk. One mouse just gave up and died. The other mouse scurried and struggled until he churned the milk into butter and crawled to safety." - Anonymous**

**"Difficult things take a long time, impossible things a little longer." ~Author Unknown**

**"Do not go where the path may lead, go instead where there is no path and leave a trail." Emerson**

**"What is now proved was once only imagined.? Blake**

**"How far you go in life depends on your being tender with the young, compassionate with the aged, sympathetic with the striving and tolerant of the weak and strong. Because someday in your life you will have been all of these." -GW Carver**

# About STEM Drama...

## STEM Drama's Club Mission:

The underlying philosophies behind STEM Drama allow students the opportunity to experience their imagination, understand commitment, build integrity, show compassion, and demonstrate work ethic in such a way they will entertain, give, serve, learn, and feel a sense of accomplishment.

## Care Actors Reasons to Believe Tour

“Remember there's no such thing as a small act of kindness.

Every act creates a ripple with no logical end.”

Caring for one another is the simplest way to thankfulness and appreciation!

## Special Thanks to:

The STEM Community, Steve Wilson, the GLT tech crew, the parents of the STEM drama club, the players of the STEM Drama Club, and all who have taken time to see **Care Actors: Reasons to Believe!** You are all truly appreciated!

## Who is STEM Drama?

This year's STEM cast has students ranging from third through eighth grade. This unique blend of ages makes for a compelling and entertaining dynamic!
