Mr. B's Mentor Group Announcement regarding conferences!

Computer Crashes! Unfortunately due to Mr. B's computer crashing all data regarding conferences has been deleted!

I need your help in verifying your conference time. I am asking families to sign up again with the same time you chose at open house.

Conference times are 15 minute slots between 4:00pm and 8:00pm on *Thursday, October 18; Monday, October 22; and Tuesday, October 23.*

There are links on the STEM Daily Update to do this or you may also go to our Mentor's Website for information.
